

SOUTHERN BRIDE  
THROWS A *Wedding of Inspirations*

PHOTOGRAPHY BY AVA GRACE PHOTOGRAPHY

By Lynn Walker

Everyone needs an inspiration and Southern Bride found one at Heartwood Hall. After speaking with Denise Suthoff on the phone one day as she told us about a new location for weddings and receptions in the area, we decided to take a drive to check it out. The impression came the moment we approached this beautiful 'Southern' plantation home and once we met Denise we were totally inspired by the true feeling of "Southern Hospitality."

It was at that moment we decided to Throw a Wedding! After connecting with the talented Ava Grace Photography, who just happened to have the perfect couple that would like to re-wed, the inspiration began to grow. It is with the artistic talent of wedding professionals from the Midsouth that has created this inspiration board of ideas to share with our "Southern Brides." Enjoy!
